Chino Hills Award Program Honors the Achievement

CHINO HILLS April 23, 2014 -- Select Homes, Real Estate & Property Management has been selected for the 2014 Best of Chino Hills Award in the Property Management Company category by the Chino Hills Award Program.

Each year, the Chino Hills Award Program identifies companies that we believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and our community. These exceptional companies help make the Chino Hills area a great place to live, work and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2014 Chino Hills Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Chino Hills Award Program and data provided by third parties.
